Applicant Gateway Activities

Supplemental Application:

- **Residency Confirmation:** North Carolina residency for tuition purposes is governed by NC state law. In the first section of your supplemental application, you must complete the residency process with the Residency Determination Service (RDS) at www.ncresidency.org. You will receive a Residency Certification Number (RCN) that must be entered onto your supplemental application. **You will also need to enter the expiration date to be able to submit the application.**
- **Background Information:** There are campus safety questions which must be completed. Your “yes” answer to any of them will not necessarily preclude your being admitted; however, your failure to provide complete, accurate, and truthful information will be grounds to deny or withdraw your admission, or dismiss you after enrollment. In addition to these questions, you must promptly notify the Admissions Office in writing of any criminal charge, any disposition of a criminal charge, or any school, college, or university disciplinary action against you, or any type of military discharge other than an honorable discharge that occurs at any time after you submit your application. In keeping with AAMC recommendation, criminal background checks are required of all accepted applicants. ***The last question is required, simply enter "NA" if not applicable to your application.**
- **Supplemental Essays:** Please complete this section using the prompts given. Your essays should be limited to 250-300 words and it is recommended that you not copy and paste your AMCAS application essay. Do not utilize artificial intelligence applications to complete your essays.
- **Application Fee:** A non-refundable \$100 application fee is required and payable in your supplemental application activity. If you were granted the AMCAS fee waiver in the current cycle, your application fee will be automatically waived at the end of your supplemental application process. Do not pay the fee more than once as refunds are not provided. If you are not a NC resident, do not proceed with payment. The link to pay is provided by email and can be accessed by clicking [HERE](#).
