

We're looking to see everyone join us back at Brody for
our 2023 Brody Alumni Event.

This fall, September 29th – 30th, 2023, we will host our annual Brody Alumni Reunion here in Greenville, North Carolina. This year we will recognize all classes that end in 3s and 8s. Whether this is your first alumni event or your 25th, we would love to see you back here in Greenville! We hope you can take some time out of your schedule and join us for fellowship, alumni awards, board meeting, and partnerships with our student organizations. The official agenda will be available soon along with registration.

As Brody School of Medicine looks to grow in size, we need the assistance of our staff and alumni to help them with their transition to future leaders of our state and nation. Now that East Carolina University and Vidant Health have merged as ECU Health, we have plenty of opportunities for engagement.

If you are interested in mentorship, please join our Alumni Events and ListServ to stay up to date on all of our upcoming events. Our Alumni Affairs Director, Krista Wilhelm, can be reached at wilhelmk@ecu.edu if you have any questions or suggestions.

In 2023, our theme is New Year, New Initiatives, and New Engagement. How will you be involved this year? We look forward to seeing you at the Brody Alumni Reunion and other upcoming events.

Cierrea Roach-Gerald, MD
President, Brody Alumni Chapter
Class of 2013
