

**Medical Education Snapshots: Part 1  
Virtual Presentation via Zoom  
Wednesday, December 2<sup>nd</sup>, 2020**

Medical Education Snapshots: Part 1 is a virtual event designed to showcase the curricular/educational research and innovation being implemented throughout the Brody School of Medicine at ECU Health Science campus.

This offshoot of the traditional in-person Medical Education Day was created in response to the pandemic-related cancellation of the highly anticipated 2020 Medical Education Day. This virtual event will provide the opportunity for those canceled podium speakers and poster presenters to share their hard work with the medical community.

**Click [HERE](#) to register!**

**Program Objectives:**

At the end of this program, participants will be able to:

1. Promote educational innovations in curriculum and teaching, educational research, and leadership related to medical education
2. Apply new approaches in medical education
3. Build a network of faculty, staff, and students interested in promoting educational excellence
