

## What?

### Greenville Community Shelter Clinic

- Greenville Community Shelter Clinic – **GCSC**
- Provides free healthcare & other services to all
- Two evenings per month at Community Crossroads Center – **CCC**

## ACKNOWLEDGEMENTS

- Cere Poovey, GCSC Co-Director.
- KaSheta Jackson, DNP, RN, Vice President, Health Equity and Social Impact at ECU Health.
- Jim Worden, Pharm. D.
- Charles Young, Executive Director CCC.
- Ryan Moore, MD.

## So What?

### Problem

- CCC “Family Rooms” served as clinic rooms for GCSC
- In June, 2023, Family Rooms opened back up to families & unavailable to GCSC

### Solution

- ECU Health – Mobile Clinic
- Railcare Health – Mobile Clinic

## Now What?

- GCSC continuing to build relationship with CCC, ECU Health, & Railcare Health
- How to stay accessible for all, regardless of weather conditions?
- Two **successful** clinics so far – make this solution sustainable
- New possibilities for future “special” clinics open to the community – i.e. “back-to-school” clinic night
